What are Wellness Grants?

Exercise and socialization are great ways to benefit mental health and wellbeing. The Wellness Grants program provides an opportunity for people with a mental illness and financial need to access annual fitness memberships at 4 facilities for no cost. The facilities are: (1) the YMCA in downtown Kelowna, (2) the Rutland Family YMCA, (3) the H2O Center, and (4) Parkinson Recreation Centre. Through the Wellness Grants program, CMHA Kelowna works with the YMCA, and Parkinson Recreation Centre to make annual fitness memberships as affordable as possible. The Wellness Grant covers the participant's share of the membership in the following ways:

1st 2nd, and 3rd time memberships* – 100% of membership fee is paid through the grant (no cost to you).

*Memberships must be renewed each year for the YMCA, and six months for Parkinson Recreation Centre.

Individuals can apply for either a single grant or for a family grant (with YMCA only). Eligible applicants can apply for a maximum total of three (3) annual memberships. For a family grant, please include a separate application for each family member.
